

Description

Engineered and build with latest technology to provide high quality clean air. The Oil Free Dual/ Triple Piston Pump System allows the air compressor to work more efficiently, creating less noise and less wear for a longer pump life. Both make about as much noise as a refrigerator, so you can work without Distraction

Features:

- Tank and Line Pressure Guage
- Line Pressure regulator
- Moisture Trap and filter
- Safety valve
- Air intake filter

Technical Specifications:-

Motor	1 - 4 HP
Max Pressure	114+ PSI
Tank Capacity	4 - 6 Gals
Displacement	2.15 CFM
