

# CVD/HPHT Detection Machine

## GemID

**A unique diamond belongs to its true owner.**

- ✓ **Shape no bar**  
 Now scan not just round but all fancy shape diamonds
- ✓ **Compatible**  
 Compatible with all existing ERP systems
- ✓ **Diamond Journey**  
 Register DNA while its a loose diamond and recognize even after it is studded
- ✓ **No Duplicates**  
 Deep duplicate feature eliminates duplicate entry in the database
- ✓ **Super fast**  
 Operation time up to 10 seconds
- ✓ **Cloud**  
 Access your precious database from anywhere in the world
- ✓ **Timeless security**  
 Ensure no one switches your unique diamond even after decades
