# Hallmarking Balance Setup

METTLER TOLEDO

Swiss Quality

**JE gold balance**

## Everyday Weighing Essentials

### Solid Performance

With a metal base, stainless steel weighing pan and overload protection, these robust balances withstand intense daily use. The high stability ensures fast results.

### Efficient Daily Tasks

With just the essential functions you need, balance operation is quick and easy. Internal test weights make it simple for you to test and adjust your balance at any time with just the touch of a button.

Readability	Model	Capacity	Repeatability	Weighing pan	Dimension LxWxH	Interfaces
0.001 g	JE503G*	520 g	0.001 g	Ø120 mm	210x319x289 mm	RS232
	JE303GE	520 g	0.001 g	Ø120 mm	210x319x289 mm	RS232
	JE503GE	520 g	0.001 g	Ø120 mm	210x319x289 mm	RS232
0.01 g	JE3002GE	3200 g	0.01 g	180x180 mm	200x319x100 mm	RS232
