

Chain Making Machine

Plasma Welding Chain Making Machine

With automatic welding function, machine equipped with a plasma nozzle, it use electronic sparks and argon alignment interface discharge, and so that the interface in an instant melt to achieve welding effect. Can be used for gold, platinum, K gold, silver, stainless steel welding. Curb chain, double curb chain, cable chain, triple cable chain, rope chain and other chains can be produced.

Particular	Details
Line Diameter	0.2mm to 60mm
Input Power	220V, 50Hz
Rated Power	800W
Max Speed	250rpm
Weight	142Kg
Size	45x85x185 cm
